Discussion “States”

Allen, Roger, and Al discussed picking up the baskets from Eric’s and taking them to Johnny’s. Drop off is not available on Sunday. Will pick them up from Eric’s dropping them at Rogers. Zondre, Eric, Allan and Roger 3pm on Sunday.

The next discussion was regarding the campsites. The discussion was about if we could still do the 27-hole course. Since we don’t know if we have the campsites, we have to say that we will only have 18. But, we are hoping to get the 27. The conclusion is we are going to just plan for 2 rounds of 18. We spent 480 trying to get the campsites. Zondre is going to print and laminate the logos for the tees this weekend. Zondre and Roger fixed all of the signs for the logos we had so far. But, we still need to attach the ones that Zondre is getting laminated. Zondre will get a banner done that says, “Hawaii State Disc Golf Championships.”

Discussing the sponsorships \$1,100 in cash sponsorships. Hula was the largest 300, so we are going to fly a banner or 6 tee signs. Roger presented a list of prizes, Allen gave him a retail price list, so we could enter the value. Allen presented a breakdown for each division based on the PDGA and the board agreed with the breakdown.
